They had a special car to take them all the way from East Great Plain to Taftville. At the grove a special programm I exercises of music and recitation

was carried out under direction of the teachers, Miss Maud G, Lathrop and Miss Edith Leffingwell. District Committeeman Charles S. Woodmansee and Acting School Visitor Frank H. Foss both accompanied the school and each had something pieusant to say to the scholars when they were called upon to fill a place in the programme At noon a dinner to all the grangers present was served, free, by the ladies

THIRTY NAMES GAINED

New Book is Out-Total Names Are 16,264.

The new 1912 Stedman's Norwicks tily directory has been issued and con-tains 16,264 names, including 750 re-movals. During the year there have been 1,553 changes of address and the total number of changes made in preparing the directory is 6,125. In the 1911 edition there were 16,224 names, including 747 removals. One thousand light hundred and ninety-two names were added in the current edition and 1,830 were erased. The net gain in names in a year is 30.

ETTOR-GIOVANETTI.

Norwich Socialists Hold Entertainment for Benefit of Lawrence Strike Leaders

The socialist party held a social in dermania hall on Thursday evening on behalf of the defense fund of Ettor-Glovanetti, the imprisoned strike leaders of Lawrence, Fred Holdsworth was hairman. There were selections by an orchestra under the direction of Miss Marion R. Chambers: recitation, Ingersoll's

Vision of the Future, by Eugene Car-roll: recitation, How He Saved St. Michel's, Miss Burnam. Selections were also given by the Mandelin quartette under the direction of Frank Pedace. Dancing was also enjoyed and the large crowd present had a good time and a good sum was raised for the object of the social. and adopted and copies ordered sent.

The address of the evening was by to the family of the late worthy master.

William Kellas, who spoke upon the

object of the socialist party, and par-ticularly upon the Ettor-Giovanetti The death of State Master Peck oc-curred suddenly on Wednesday of Waller in the court of common pleas, as follows:

In Harry Groobert of Colchester vs. Daniel Kudlik of East Haddam judgment that the plaintiff recover the sum of \$33.55 is rendered.

Motion to file substitute complaint is granted in Johnson & Benson of this city vs. Michael O'Connell of New London. The suit is for \$83.41.

A demurrer is overruled in the case of Eristol for six years, and was associate judge of the Bristol city of Eliza A. Hewitt vs. Burrows R. Park, both of North Stonington. The suit is over 180 loads of gravel.

The cases of these leaders of the striking mill workers, who are now under arrest at Lawrence, strikes me as the gravest invasion of personal rights this generation has seen, and I do not a understand how any person in this country that believes in fundamental human liberty can remain stient in the face of it. These men are in prison without ball, charged with being associate judge of the Bristol city court. He had also geen a justice of the peace for twenty years, was president of the Rristol Business Men's association for two years and a member the series of the said in part:

The cases of these leaders of the striking mill workers, who are now under arrest at Lawrence, strikes me as the gravest invasion of personal rights this generation has seen, and I do not a understand how any person in this drouble of the Bristol for six years, and was associate judge of the Rristol city court. He had also geen a justice of the peace for twenty years, was president of the serious accuration? Did striking mill workers, who are now under arrest at Lawrence, strikes me as triking mill workers, who are now under arrest at Lawrence, strikes me as triking mill workers, who are now under arrest at Lawrence, strikes me as triking mill workers, who are now under arrest at Lawrence, strikes me as triking mill workers, who are now understand how any person in this provider in law. He served as selecting the gravest arrest at Lawrence, strikes me as triking mill workers, who are now understand how any pers suit is over 100 loads of gravel.

Temporary injunction is made personanent in city of New London vs. Stephen A. Perkins of Groton. The Business Men's association. Judge In junction was asked for to prevent the property of the State Business Men's association. Judge Peck was a member of the Odd Fellows charter member of the Business Men's association. Judge In junction was asked for to prevent the property of the Business Men's association. Judge In junction was asked for to prevent the property of the Business Men's association of the Business It is only alleged against them that they ofter some incendiary words, and that as a result of these words some

person killed the woman. What per son? The prosecution does not know What were the motives of the slavers? principle of matural justice would reuire that if a person is to be deemed uilty of inciting a murder we should know that there was a murder and who committed it. In no other way can you possibly carry out the theory

of instigation. The presentation of a gold past chief angers' jewel to Joseph T. Fanning. Human speech is capable of widely differing interpretations; no human be-Jiffering interpretations; no human being can assume to say that any words had instigated any deed unless he knew who committed the deed, and that such a person had heard the words inciting to such a deed, it might have been committed by some one that had never heard the words and had an entirely different motive. In this case, all these elemental he first chief ranger of Court Sachem. No. 54, Foresters of America, made an the court at its meeting Thursday evening in Foresters' hall. Mr. Fanning was elected chief ranger in this case, all these truths are disregarded. Against this monstrous injustice every citizen should protest without ceasing; for it is to the atmost importance to him that no such perilous precedent should

be tolerated.

This is precisely true, no matter what may be the citizen's politics of his views on any other subject. I call upon all workers to recognize these heaves as the working class on trial. Their vindication is your vin-dication and their conviction is your
